

THE SOLE PURPOSE OF PROP 65 IS TO CONFUSE VOTERS

Prop 65 promises a lot but—in reality—will deliver little for the environment. It was placed on the ballot by four out-of-state plastic bag companies who keep interfering with California's efforts to reduce plastic pollution.

65 is without real significance, designed to distract from the issue at hand: phasing out plastic shopping bags. All 65 would do is direct funding from the sale of paper bags (an option under the plastic bag ban) to a new state fund. The money for this fund is a drop in the bucket and will shrink over time as people adjust to bringing reusable bags.

TO ACTUALLY PROTECT OUR ENVIRONMENT, VOTE YES ON 67

*The priority for California's environment this election is to reduce harmful plastic pollution by voting Yes on Prop 67.* This will continue efforts to keep wasteful plastic shopping bags out of our parks, trees, neighborhoods and treasured open spaces.

Prop 65 is not worth your vote. Make your voice heard on the more important issues and uphold California's vital plastic bag ban further down the ballot.
